Blk 2 Lot 2 Brgy. Pag – Asa Victoria Reyes | 09369346575 | frances12357@gmail.com

I'm a diligent and patient learner, always striving to improve. With a few months of experience in building responsive websites, scripting, and using APIs, I've worked with frameworks like React, Vue, and Angular. In my recent capstone project, I specialized in developing the admin UI and managing CRUD operations. As a student freelancer, I've delivered websites to clients, demonstrating my dedication and growing expertise in web development.

EXPERIENCE

Dec 2019 – Feb 2020

Work Immersion - SHS

Inhouse bookkeeper for a real estate development company. Maintained financial books, tracked expenses, prepared, and submitted invoices, and oversaw payroll.

2021 - 2022

Student Freelancing | Apprentice

I worked under the guidance of a seasoned and accredited freelancer. Whenever they received small client projects, such as creating a standard landing page or integrating an API from an e-commerce platform like sellix.io, they entrusted me with the task. My responsibility was to bring their designs to life by constructing the website according to their specifications.

Feb 2024 – May 2024

Front End Developer Intern | whiteStrings

Assisted with payroll and Pensions service management for 150+ employees. Prepared invoices for more than 200 clients. Assisted with bill payments, records organization and preparation, and other office duties to support financial and accounting operations.
